

Certificate

Indoor Air Comfort

Ecophon Sombra

Certified Product

Saint-Gobain Ecophon AB

Applicant

The product complies with Indoor Air Comfort requirements, version 7.0 (2020). These include both inspections of factory production according to DIN 18200 and VOC testing according to EN 16516 and the ISO 16000 series, each in the latest versions, by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort certification ensures that product emission requirements are fulfilled and it is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Compliance with Indoor Air Comfort means compliance with VOC requirements on low emitting products of:

- France (VOC Label)
- Germany (AgBB/ABG)
- Belgium (royal decree)

Details are defined in Indoor Air Comfort requirements, version 7.0 (2020).

Certificate No.: IAC-400-11-13-2020

Date: 12 November 2020

Validity of certificate: 12 November 2025, with frequent surveillance and retesting

A handwritten signature in black ink, appearing to read "T. Neuhaus".

Appendix to Certificate

IAC-400-11-13-2020

Saint-Gobain Ecophon AB
Yttervägen
265 03 HYLLINGE
Sweden

receives the Indoor Air Comfort certificate with validity 12 November 2025 for below product group, including subgroups and individual products listed in the following table:

Product group	Products
Ecophon Sombra	Sombra A

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
