innovations door furniture

## innovations

N&C are proud to introduce our latest range of innovative and stylish door furniture; a selection of unique, high-quality designs in a choice of finishes.

Drawing on our experience as architectural ironmongers we have created a new, sophisticated range, embracing both practicality and style to satisfy the requirements of specifier, contractor and end user alike.

Designs are available in alternative materials or finishes. Whether you require the classic elegance of polished brass, or the cool, contemporary feel of satin chrome the Innovations range offers fittings sympathetic to any interior.

This comprehensive range of products and designs will allow our expertise and your judgement to combine, to provide an imaginative door furniture solution, whatever the project.
